BERGER HEALTH SYSTEM

Our mission

Berger Health Foundation was created to encourage, receive, and be responsible for charitable gifts that support the development of health-related services for the residents of Pickaway County and the surrounding communities. The Foundation accomplishes that mission by supporting Berger Health System and its health and educational programs, helping it to become the first choice of care and the best place for staff and physicians to practice.

▶ *Your gift is critical*

In a world of rapidly advancing technology, rising patient expectations, and monumental breakthroughs in medical science, the art and science of health care continues to evolve at a rapid pace. Berger Health System is rising to the challenge by expanding services, building new centers of excellence, investing in the best equipment and technology, and providing highly qualified, caring medical personnel. Only by giving the community access to high-quality, personalized care can we build a better future for health, and a better future for us all.

Berger Hospital holds the promise of that future, by providing a full range and the best quality of health care right here in our own community. Won't you help us keep that promise? Only with your support can we continue to build upon Frank Berger's dream, and make Berger Hospital the best community-based health care system in the state of Ohio. Become a supporter of Berger Health Foundation today by using the attached reply envelope.

Berger Health Foundation is a private 501(c)(3) corporation that provides financial support to Berger Health System to improve healthcare for the people of Pickaway County. Gifts are tax deductible as allowed by law. Please consult your tax professional.

▶ *With your support, the Foundation is helping to:*

- Support and improve cancer-related care through the Bradley Cancer Center.
- Purchase equipment for various hospital departments that provide the latest in advancements for patient care.
- Support the “Circle of Caring–Faith in Action” community volunteer program, which assists the frail and elderly with routine activities.
- Provide low-income, uninsured area residents with needed medical care through our patient care funds. Each year, many residents receive mammograms, lab work, procedures, medicines, and emergency assistance because of your generosity.
- Provide health care scholarships to local residents who plan to pursue career opportunities in Pickaway County upon graduation.
- Support patients with life-limiting illnesses through the services of Berger Hospice.

▶ *I wish I could do more*

We often meet people with the desire and resources to do more to help area residents. There are many things you can do—like planning a gift to the **Berger Health Foundation**. The simplest way to provide a planned gift is to include a bequest to the Foundation in your will. Other giving opportunities include trusts, insurance policies, retirement plans, gifts of real estate, and more. Always consult with your attorney or advisor. Contact the Foundation office at **(740) 420-8209** for more information.

Berger Health Foundation has opportunities that let you earmark your planned gift for a particular purpose, endow your favorite program, or simply allow us to apply your gift wherever the need is greatest. All are major investments in our community, our health care resources, and our friends and neighbors.

Are you ready to make an impact on Pickaway County? Then join us today!
